

In June 1926Children's Registration

All School Inspectors in the District of Lvov Education Office Circular letter

Abstracts:

L.O.-1304/26 some school councils asked the Education Office about covering the expenses related to the Children's Registration (some starosts demanded payments for transportation). The Education Office replied that it had no money and stated firmly that in the entire country there were no and shouldn't be any additional demands for funds from the State Treasury. In their reply to the circular letter of June 18, 1926

The Educational Officer appealed to the registering staff to complete the important mission without expenses.
