

Expedition to Buczacz, 29 July - 12 August 2018

The organization's annual documentation delegation completed documentation of the Jewish cemetery in Buczacz this year. It could be said that the central theme of this year's field work was the legacy of S.Y Agnon. Members of his family, as well as many of his friends, acquaintances, and heroes of his works, are buried in the cemetery. We cleaned and documented the tombstone of his father – Shalom Mordechai Czaczkes, and discovered the tombstone of his mother, Ester. Besides the tombstones of Agnon's relatives, the tombstones of the head of the community in Buczacz for around 40 years, Avraham Stern, of prominent members of the community, and of heads of charitable and communal institutions were found...
