Solotvin synagogue

שפה
Synagogue **Building type:**

Solotvyn **Community:**

Kotliarevskogo St. 1 **Address:**

Description:

The preserved synagogue in Solotvin was apparently built in the late 19th century. Today it is used as a storage.

A protruding on the eastern façade indicated the interior placement of the Torah ark. The division of windows into an eastern prayer hall and western vestibule with women's section above it is preserved. The original interior is completely lost.
