Documents

This section includes archival material from different archives in Poland and Ukraine and from the Central Archives for the History of the Jewish People in Jerusalem, as well as private documents and letters. These special historical materials give us a unique look into the Jewish world of Galicia and Bukovina, in all aspects of everyday life.

We invite anyone with documents, letters, postcards or photographs relating to the Jews of Galicia and Bukovina to contribute them to the database. To send contributions to the document database hereclick
