

הצפירה

[Ha-Tsefira](#)

Title: הצפירה

Subtitle: הצפירה: הוא המאסף החדש לבני ישראל היושבים בארצות גאליציען, פולין ורוסיה

Editor/Editors: מאיר לטריס

Publishing place: Żółkiew

Typography: דפוס גרשון לטריס

Published from: 1824

Published until: 1824

Language: [Hebrew](#)

Link: [The National Library Newspaper Collection](#)

Description:

A pioneering, one-time publication of the Galician maskilim, a precursor of the radical Haskalah. Similar in form to German "Hame'asef", and indeed, in the "Note to the reader", the editor Meir Letteris declared that he was following in the footsteps of that journal, and mentioned this connection in the "Introduction" as well. Only 80 copies were printed.
