nterviews		
alicia and Bukovi lost of the intervienterviews give firs without saying that lowly disappearing	has invested much work in collecting first-hand oral testimonies about Jewis ina. These interviews were conducted as part of our annual expeditions to ews are in Russian or Ukrainian, with some offering an English translation. Sthand description of various aspects of Jewish life before the Holocaust. It it the generation capable of telling the story of Galician and Bukovinian Jewig, and we therefore see this project as a last opportunity to obtain first-handhese living testimonials to Jewish life in these regions.
