```

Community: Kosiv

Additional information:

This page is under construction

The Kosiv (Kosow) cemetery was documented by the JGB expedition team in 2012. The remained tombstones of the central part of the cemetery (about 150) were photographed and its epitaphs carefully copied. This material is being now uploaded to the site.

Tombstones in the cemetery

By clicking on "Tombstone Date" you may change the chronological order of the tombstones. Gravestones without a date are placed at the end of the list
